Technical Information Sheet

TECHNICAL DATA:

- FREEZE-THAW STABLE
- SHELF LIFE: Minimum one year from date of manufacturing
- FLAMMABILITY: Flammable Liquid

WARRANTIES:

Limited Warranty

PACKAGING:

1 US Gallon, 1 Quart, and 1 Pint

**EXTREMELY FLAMMABLE!
VAPOR HARMFUL AND
CAN EXPLODE VIOLENTLY
AND CAUSE FLASH FIRES.**

CONTAINS PETROLEUM DISTILLATES.

This product is an extremely flammable mixture. Adequate ventilation is essential to prevent buildup of vapors to an explosive concentration. Use only with positive fresh air cross-ventilation. Use explosion proof fans, motors and other equipment. Prevent prolonged or repeated breathing of vapors or mist. Vapors are heavier than air and can collect in low areas, such as household basements. Do not use in these areas; unless they can be thoroughly ventilated before, during and after installations. Do not store or use near heat, flames or sparks of any type. Keep container closed when not in use. Use with appropriate safety equipment – splash goggle, gloves, and where high vapor concentrations exist, vapor respirator. **KEEP OUT OF REACH OF CHILDREN & PETS.** (Refer to Material Safety Data Sheet [MSDS] for further information.)

Prohibited for Sale in California.

**MATERIAL IS SOLD FOR
PROFESSIONAL USE ONLY.**

APAC 001

REDUCER CLEANER

EXTREMELY FLAMMABLE • FOR PROFESSIONAL USE ONLY

DESCRIPTION

001 Reducer cleaner is a *Flammable* Solvent based cleaner specially formulated to clean many different types of stains from carpeting. 001 will dissolve most adhesive from floor covering, vinyl flooring and other substrates as well as installation tools. Stains such as grease, oil, tar, chewing gum, paint, wax, tape residue, crayon, lipstick, and heel marks can also be removed with this product. Do not use on plastic, rubber, polished or lacquered surfaces.

FEATURES & BENEFITS:

- Quick Dry
- High solvency
- Leaves no residue

USES:

- Carpet Adhesives
- Tape Residue
- Carpet Seam Adhesives
- Grease, Oil, Tar, Paint or Wax
- Chewing Gum, Crayon, Lipstick and Heel Marks (Do not use on plastic, rubber, polished or lacquered surfaces.)

DIRECTIONS

- Keep away from heat, spark, or open flames of any kind, extinguish pilot lights. Use only in well ventilated areas, open windows and doors. Do NOT smoke in work area. To remove adhesive from carpeting clean as much as possible with a dry white cloth first. Then dampen a clean white cloth with 001. Rub stained area lightly until clean, and then feather out with lighter rubbing around the stained area. Wipe with another dry clean white cloth.
- Do NOT pour directly onto carpeting. If carpeting is saturated, delamination can occur. 001 is a spot cleaner. Do not spread over areas larger than four square feet. Cleaning larger areas at a time greatly increases fire and explosion hazard. Maintain vapor concentration below recommended exposure levels.

FIRST AID:

Flush eyes with water for 15 minutes. If swallowed, do not induce vomiting. Call a physician immediately. If skin contact occurs, remove contaminated clothing. Wash skin with soap and water. If dizziness or difficulty in breathing occurs from inhalation of vapors, get fresh air immediately. If symptoms persist, get medical attention.

NOTE: Use as directed. *Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal.* Primary health concerns regarding this product are related to the solvent vapors. Once this product is dried, these warnings do not apply. (See Material Safety Data Sheet [MSDS] for more information.)
