Faus Laminate Flooring

Later this month, Faus will be introducing four new colorations. Three new colors are in the popular Cottage series, using a slate appearance. The fourth color is an addition to the Framefloor pattern in a warm earth tone coloration. As samples are available from Faus, we will be delivering them to your display. New displays already have the introductions included.

Stylesetter Carpets and Pad

A new product update has been ordered for the Lifestyles Carpet Display Unit. *SOFT ELEGANCE* is a 100% Weardated Durasoft BCF Nylon frieze available in 28 gorgeous tone-on-tone colorations. Insert cards will be available this

The carpet style named WARM EMBRACE has been discontinued by the manufacturer. Please remove this style from your Lifestyles Carpet Display.

Another price decrease has been announced by our pad supplier on rebond pad which will affect Competitor and Ultra Bond. The enclosed pad price list dated Nov. 1 reflects the changes.

Carpet Special of the month is FIVE STAR, cuts at roll pricing.

Bostik / Durabond Adhesives

With the addition of our new glass and stone product line, CDI has begun stocking *TRU-Color pre-mixed grout*. This successful grout series is ideal for glass and stone but also for every grout job you have. This product offers consistent color matching from pail to pail, perfectly matching the sample. TRU-Color never (ever) needs to be sealed and is extremely flexible, virtually eliminating grout cracking. CDI is stocking this product in 18 lb. buckets.

Looking for a creamy floor patch but don't want to pay too much for it? Durabond's *UltraFinish* is now available in 10 lb. bags and is priced at a competitive price. Let us know if you'd like a sample to give it a try.

Stylesetter Tile

CDI will have our sample boards of our new glass and natural stone series available this month. We have two sets available, one with five boards of glass and glass/stone combinations and the other with five boards of natural stone (travertine).

FlexTile VCT

Continuing through the end of the year, CDI is offering four colorations of Flextile VCT on special (FT101, FT104, FT111, and FT301).

Gundlach Tools and Accessories

Gundlach continues to expand on their tile care products. Besides their popular tile cleaner and sealers, stone sealers, and grout sealers, Gundlach now offers *FEEL SAFE*, a Non-Slip Surface Treatment for tile floors and concrete. With the upcoming winter season creating slippery floors, promote Feel Safe for additional protection.

Groom Broom Carpet Rakes

Just a reminder that CDI stocks carpet rakes in two sizes, 12 and 18". Both are available for cut pile friezes, textures, and plush pile carpets. These rakes are an effective carpet pile conditioner for regular care and maintenance which helps render a "LIKE NEW" appearance of carpet.

Tool Specials

Carpet Stretchers and other carpet installation accessories are on sale this month.
